The Haverford Township Education, Arts & Music Society (HTEAMS) is delighted to produce the 14th Annual Haverford Music Festival (HMF). We remain grateful to all of our sponsors for their support in this worthwhile endeavor to bring such a talented list of performers to our stages for a wonderful day of entertainment. We also thank all the vendors that brought such a variety of food, merchandise, and information from and about our community and the surrounding region. Donations from attendees help to keep the HMF a free admission event, and also allow us to provide grants to select organizations in our community that promote education, music, and the arts.

We would not be able to present this festival without the tireless planning and coordination of the HTEAMS Committee volunteers. This is a year-round endeavor. We are fully funded by sponsorships and donations, receiving no taxpayer funding.

We also could not have a successful festival without the dozens of non-committee volunteers that help us, starting at 6 AM this morning and ending near midnight tonight. Looking forward to seeing you at the 15th Annual Haverford Music Festival in 2027!

—Jesse Hubley, HTEAMS President

HTEAMS is excited to announce that we will again be offering grants to area organizations. Application deadline extended to December 1, 2026. Final grant decision will be made on or before February 1, 2027 when the grant recipient will be notified.

Our goal is to support one or more worthy Haverford Township recipients with a money grant ranging from \$500 to \$1,000 to be used to enhance or cultivate activities in education, arts, and/or music consistent with HTEAMS' core mission. Apply at <https://haverfordmusicfestival.org/grant-application>
